

## QUESTIONNAIRE

### POSTDOCTORAL RESEARCHER FOR THE BESTMAP and FRAMEWORK PROJECTS (ref. 20-042-29716)

To participate in the selection process, candidates must answer and send the following questionnaire:

Questions	YES	NO
Do you hold a PhD in Environmental, Biological Sciences, Geography or similar?		
Do you have at least 5 years of experience in postdoctorate research and development work?		
Do you have training and experience in topics such as ecology, agriculture, phenology, remote sensing, data management; and analysis, presentation and application of geospatial standards?		
Do you have knowledge and skills in group work?		
Do you have good level of programming skills in at least one of the following languages: JavaScript, Python, C or similar?		
Do you have good level of Spanish and English, written and spoken		
Do you have availability for traveling abroad		

It will be assessed in a particularly negative way that it is affirmatively the possession of requirements that subsequently prove that they are not.
